

Stock No. 01321-02-xxxx

# Pipeconnect

**Exhaust gas expansion joint for turbo charger outlet.**

**Multi-ply bellow with loose flanges.**

**Stock no. 01300**

### Description:

Expansion joint for turbo charger outlet with multi-ply, double bellow design with loose (turnable flanges). See also

**Technical information**  
**Mounting instruction**

### Material:

- Welding ends: S235JRG2
- Bellow: EN 1.4541

Surface treatment:

- Flanges are protected with oil
